

NEW MEXICO INSTITUTE OF MINING AND TECHNOLOGY

FACULTY SENATE MEETING

Thursday, May 6, 2021

3:00 p.m.

Minutes

1. Call to order

Chair Mike Hargather called the meeting to order at 3:01 pm.

Brian Borchert Motion passed unanimously.

Dr. Sonnenfeld moved that additional students that just need an FE exam signed Heather today will be added to this list, seconded by Dr. Corey Leclerc. Motion passed unanimously.

3. Selection of Graduation Awards

a. Brown Award

The Brown Award is named in honor of C. T. Brown, who was for many years a member of the NM Tech Board of Regents. The award is given to that person graduating with a Bachelor of Science degree who is judged by the faculty to be the highest in scholarship, conduct, and leadership. In addition to a plaque, the award consists of a \$1,000 prize.

Motion was moved to approved that all students that were nominated would be notified by letter. Motion passed with two abstentions.

b. Cramer Award

This award was established to honor Tom Cramer, an engineer and a member of the NM Tech Board of Regents for 26 years. It is awarded to the top two senior students graduating in engineering who rank highest in scholarship. The awards consist of citations and \$400 prizes. The recipients are chosen by the Faculty Senate upon the recommendation of the engineering faculty.

Dr. Leclerc moved to approve the award nominees, seconded by Dr. Rene A. Motion passed.

c. Langmuir Award

The Langmuir Award for Excellence in Research is given for an outstanding scientific research paper by any student or graduate of New Mexico Tech. T
