CSCPay Mobile App
Laundry Room Monitoring

Start the machine using CSCPay Mobile App:

STEP
Turn on your Bluetooth ✺, and download the CSCPay Mobile App.

STEP ②
Register for an account using your campus email address.
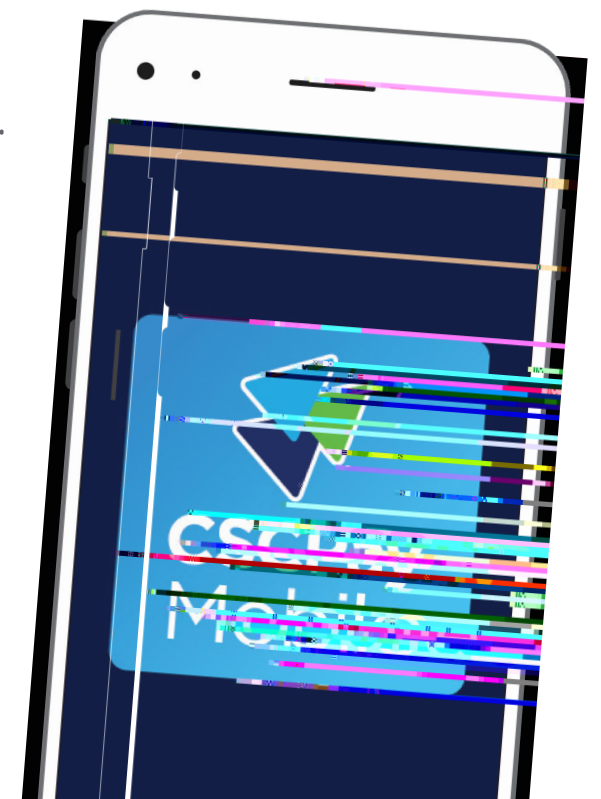

STEP ③
The app will ask for a credit card, click "Register Later". Automatic credit will be issued to your account.
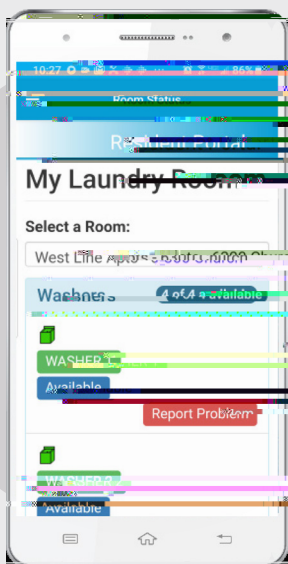

STEP ④
Load your laundry into machine and select cycle.

STEP ⑤
Using the app, start the machine by entering the number or scanning the machine's QR code.
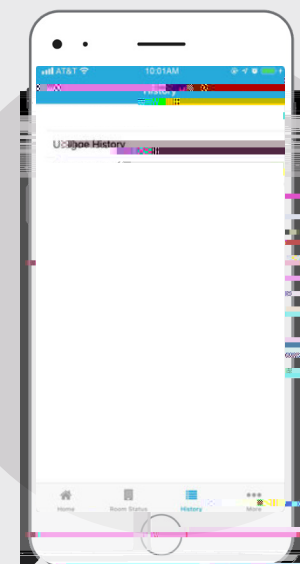

CSCPay Mobile App Features:

Monitor machine status and receive alerts when your cycle is complete.

Request service by scanning the license plate or entering the machine ID.

Access to account usage history.
